Good Morning/Good Afternoon/Good Evening. My name isfrom Sauti Za Wananchi, a program run by an organization called Twaweza. In this round of Sauti za Wananchi, we want to ask you questions about access to water, sanitation and other general issues. The information we collected in July/August on education matters will be published in the media very soon, and will be available to all Kenyans and other people in the world. Your name will however, not be published. We'll also share with you more information on where to access it. It is also going to be shared with other stakeholders and decision makers. Today's interview will last for about 15 to 20 minutes. Can we start today's interview?
