Introduction to the Wananchi Survey /Utambulisho wa utafiti wa Wananchi

[INSERT NAME OF THE RESPONDENT] you have been randomly selected to participate in an innovative data collection program known as the Voices of the Citizen. The survey has the potential to improve the availability of information to the public and contribute to the development of better public services and life in Tanzania.

Voices of the citizens is divided into two phases, the first phase is known as the baseline survey in which we seek to collect data by having a face to face interview. This is what we are just about to do. The second phase of the voices of citizens is a bi weekly Mobile Phone survey. Immediately after the interview, we will call a number at our call center based in Dar es Salaam, Tanzania. The importance of this initial contact is to verify network connection at your household or close to your household and in case the network connection is not clear we will then move to a location where the network signal will be clearer.

In the mobile phone survey our team at call center in Dar es Salaam will call you and interview you between 1 to 4 times a month for two (2) years, the interview will last between 15 to 20 minutes and there after we will send a [INSERT AMOUNT ACCORDING TO THE INCENTIVE CATEGORY] shillings airtime recharge to your mobile phone. The questions that we will ask you in the mobile phone survey will be more less the same as the questions that we ask you in the interview we are about to start.

We expect that sometimes the responses will be reported on websites, radio, TV or newspapers. I would like to assure you that nobody will ever know what your responses were and you will never be identified in any way as a participant in the survey. The reports might say for example, "90% of Tanzania's are not connected to the Nation Electric grid". No personal information will ever be shared.

I have given you highlights of the Wananchi Survey, are you willing to participate in this survey?

(WEKA JINA LA MHOJIWA) umechaguliwa kushiriki katika utafiti wa kipekee unaoitwa Sauti za Wananchi. Utafiti huu una malengo ya kuboresha upatikanaji wa habari kwa jamii na kuchangia kwenye maendeleo ya huduma bora na maisha bora Tanzania.

Sauti za Wananchi imegawanywa katika sehemu mbili. Sehemu ya kwanza inajulikana kama "taarifa za awali" ambapo tunajaribu kukusanya taarifa kwa kutumia mahojiano ya ana kwa ana. Hii ndiyo tunaenda kuifanya sasa. Sehemu ya pili ni "Mahojiano mafupi kwa njia ya simu kila baada ya wiki mbili". Baada tu ya kumaliza mahojiano, tutapiga simu ofisi zetu za Dar es salaam, Tanzania. Umuhimu wa hii ni kuhakikisha kwamba tunapata mawasiliano tukiwa karibu na kaya yako na kama hatutapatapata mawasiliano na ofisi yetu, tutasogea sehemu ambapo mawasiliano yatakuwa yanapatikana vizuri. Katika utafiti wa njia ya simu ya mkononi, timu yetu iliyo Dar es salaam itakupigia simu na kukuhoji mara moja kwa kila wiki mbili kwa muda wa miaka miwili. Mahojiano yatakuwa ya dakika 15 hadi 20 na baada ya hapo tutatuma kiasi cha [WEKA KIASI CHA MOTISHA KULINGANA NA KIASI KITAKACHO TOLEWA] ya muda wa maongezi kwenye simu yako. Maswali tutakayokuuliza kwenye simu yatakuwa yanafanana na maswali ambayo tutakayokuuliza kwenye mahojiano ambayo tunayaanza.

Tunategemea wakati mwingine majibu yatakuwa yanaripotiwa kwenye tovuti, radio, runinga au magazeti. Ningependa kukuhakikishia kwamba hakuna mtu atakayejua majibu yako na hautajulikana kwa njia yoyote kama mshiriki wa huu tafiti. Ripoti inaweza kusema kwa mfano "Asilimia 90 ya watanzania hawajaunganishwa na gridi ya umeme ya taifa". Hakuna taarifa ya mtu binafsi itakayotolewa. Nimeshakuelezea kwa ufupi utafiti wa Wananchi, Je upo tayari kushiriki?

Yes/Ndiyo..... >THANK THE RESPONDENT AND CONTINUE/MSHUKURU MHOJIWA NA ENDELEA

No/Hapana..... >THANK THE RESPONDENT AND PICK ANOTHER HOUSEHOLD ACCORDING TO INSTRUCTIONS GIVEN. RECORD REASONS FOR REFUSAL IN REFUSAL SHEET/MSHUKURU MHOJIWA NA CHAGUA MWANAKAYA MWINGINE KULINGANA NA MAELEKEZO . NAKILI SABABU ZA KUKATAA KATIKA SHEET YA WALIOKATAA

I am about to start the first phase of the Baseline questionnaire. Do you want to ask me anything about voice of the citizens? [INTERVIEWER POSE FOR QUESTIONS] May I begin now?

Disclaimer: Sometimes in Household surveys people are not well informed about some of the household related activities for example the health of a child, in such cases feel free to call in any other household member who is well informed to help you in responding to household activities that you are not very much familiar with.

Karibu naanza sehemu ya kwanza ya dodoso la awali. Una swali lolote kuhusu sauti za wananchi? (MHOJI TULIA KWA MASWALI) Ninaweza kuanza sasa?

ANGALIZO : Wakati mwingine katika tafiti za kaya,watu hawana taarifa kamili za baadhi ya vitu vya kaya kama afya ya mtoto.Katika hali kama hiyo,kuwa huru kumuita mwanakaya mwingine ambaye ana taarifa kamili akusaidie katika kujibu shughuli za kaya ambazo hauzifahamu vizuri.
